Dear Wahyanites, Friends and Parents of Wah Yan

Our Dream for Wah Yans' Future

This is our dream – to make our two Wah Yan schools centres of excellent education and formation of character for the future. To do this we need your support and help. As you know the best investment of our resources and energy is in the future lives of our youth.. We want to make our education in Wah Yan not only one of excellence in developing students' knowledge, but also one of excellence in developing students' character and values. As Theodore Roosevelt once said “To educate a person in mind and not in morals , is to educate a menace to society “.

We need, besides creative school planning, to give teachers the opportunity to develop their professional skills and a formation in values and in Jesuit education vision and mission.

We need to employ additional good teachers of both English, Chinese and Mathematics so that we can provide split classes , wider choices of subjects and teachers of debate, drama, music, games etc., so that we can provide a better all-round education to the students.

As you know, Government resources are very limited and so we need extra financial resources to fulfill our dream. Any help you can give, big or small, will be gratefully acknowledged and appreciated . Help us educate ‘men for others ‘

Yours sincerely,

Alfred J. Deignan S.J.
